PARENT ADVISORY MEETING

Our next monthly "Bring Your Lunch" meeting with the head, administrators, and board members will be on Monday, February 6th at noon in the conference rooms upstairs. Parents are welcome to send any topics in advance to the office. The agenda for this meeting is to seek parental input on building enrollment for our elementary classes. We will be discussing what to expect into moving to our elementary department. We are encouraging Primary III and IV parents to attend this meeting to be able to learn more about our outstanding Elementary curriculum.

OPEN HOUSE

Currently enrolled parents and potential parents are invited to attend an open house. Please invite your friends and neighbors to join us on Tuesday, Feb 21st from 3-5 p.m. Teachers will be available to meet with prospective students and parents. They will see our classrooms and learn about the outstanding academics and activities we offer. Parents are also welcome to come and meet their child's next teacher and discover what learning adventures are in store for the next school year.
