PARENT BACK TO SCHOOL NIGHT

Do you ever wonder what a typical day at school is like?

We are hosting a **Parent Back to School Night on September 27th, Thursday from 3:00pm-4:00p.m.** You may go to your child's classroom and meet with the Teachers and Assistants, Subject teachers and your fellow parents.

In the classroom, the teacher will ask you to sit for a typical class greeting and lesson. One language and one math lesson will likely be presented. The event will give you a glimpse of your child's life at school and an opportunity to learn about the curriculum.

Please RSVP for the event on or before Wednesday, Sept 20th email bcastro@snschools.com

We have staff available to supervise your child during the meeting if you need to bring him/her to this event.

HOMEROOM MEETINGS

PARENTS AND TEACHERS: Homeroom Meetings are scheduled on Wednesday afternoons at 3:00PM for parents to observe an activity and visit with each other and the teachers
